There is a daredevil bird called the Crocodile Bird who flies into the open mouth of a crocodile and ***cleans*** the croc's teeth!

Giraffe tongues are so long that they can stick them out and clean their ears with them!
Yuck!

A snail's mouth has over ***25,000 teeth!***
Imagine having to brush all of them!

Elephant tusks are the longest teeth in the world! They can weigh over ***400 pounds!***
